

Please help us fund our

Virtual High School Program!

We are in the unique position to have partnered with Union Catholic High School in a blended learning pilot program. We have grown as educators and our students have blossomed while acquiring 21st Century learning skills. As the first year of our pilot program is about to come to a close, we look to the 2015-2016 school year. We are no longer in the pilot phase of the program. The Academy of Saint Joseph of the Palisades will now finance the blended learning courses for our students. The projected cost for the 2015-2016 program for our 7th & 8th grade students is \$40,000.

Yes, I would like to contribute to the Academy of Saint Joseph of the Palisades toward the Virtual High School Program!
